### A GLOBAL CATEGORY LEADER

CDN is a global category leader in kitchen measurement tools, known for quality and innovation for over 40 years.

Our measurement tools range from the basic to the unique. CDN has the right instrument to help you streamline your operation — from receiving product to cooking, storing, serving and cleaning.

Foodservice professionals rely on CDN products, which are used in over 20,000 foodservice locations worldwide, including large international coffee and restaurant chains.

certified WBENC WOMEN'S BUSINESS ENTERPRISE

CDN was named "Best Overall Company" in its category by the prestigious Stevie Awards for Women in Business. We are also a certified member of the Women's Business Enterprise National Council (WBENC), providing additional benefits to our customers.

### SOCIAL RESPONSIBILITY

CDN strives to maintain a balance between the economy and the ecosystem by choosing innovative technologies and programs that reflect our sensitivity towards social, cultural, economic, and environmental issues.

0% Hg

#### SUPERIOR QUALITY

All stainless steel is not the same. CDN thermometers are made of a premium grade stainless steel, which is superior to the stainless used in many other thermometers. CDN bimetal thermometer stems are welded to a calibration nut. Less expensive thermometers are only pressed together. The dimple in the stem of our bimetal thermometers indicates the place where the temperature coil is welded to a special bushing and where you will get the most accurate reading. This extra measure provides an additional degree of stability and accuracy, and is unique to CDN. National Sanitation Foundation is an approval agency that certifies that thermometers bearing the NSF® mark are manufactured to high commercial standards. Because of higher listing costs, only a select number of our thermometers carry the NSF® mark. However, all our dial thermometers are manufactured to NSF® standards in an NSF® Certified facility. We use an incoming inspection program based on military QC standard MIL-D9858.

#### BioCote®

Antimicrobial properties are built-in to inhibit the growth of bacteria that may affect this product. According to EPA guidelines we cannot claim that the antimicrobial properties in this product protect users or others against bacteria, viruses, germs, or other disease organisms. This product does not protect users or others against food-borne bacteria. Always clean and wash this product thoroughly before and after each use.

**Batteries included with all electronic products.**

#### 5-YEAR LIMITED WARRANTY

All products have a five-year limited warranty unless otherwise noted. **5-Year Limited Warranty:** Any instrument that proves to be defective in material or workmanship (excluding batteries) within five years of original purchase will be repaired or replaced without charge upon receipt of the unit prepaid at: CDN, PO Box 10947, Portland, OR 97296-0947. This warranty does not cover damage in shipment or failure caused by failure to adhere to the accompanying instructions, inadequate maintenance, normal wear and tear, tampering, accident, misuse, unauthorized modification, obvious carelessness or abuse. CDN shall not be liable for any consequential or incidental damages whatsoever.
